Chandan Bilvaraj

Engineer Digital Innovator | Embracing the Future of Technology with Creativity and Curiosity | Driving Change in the Tech World
Bengaluru, Karnataka, India

Summary

Innovative Solution Designer & Application Developer with a proven track record in transforming industries through technology! With deep expertise in Information Technology, Oil & Gas, Chemical Engineering, IIoT, Industrial Process Automation, and Industrial Performance Excellence (IPE), I bring a unique blend of skills to the table. #

Passionate about crafting smart, scalable solutions, I specialize in designing and developing IIoT-powered platforms, automating processes with Robotic Process Automation (RPA), and building intuitive mobile and web applications that drive efficiency and performance. My mission? To turn complex challenges into seamless, impactful digital solutions that elevate business outcomes.

Experience

MathCo

3 years 4 months

Platform Architect

July 2024 - Present (1 year 10 months)

Bengaluru, Karnataka, India

Engineering Manager

January 2023 - July 2024 (1 year 7 months)

Carbynetech

6 years 1 month

Technical Architect

August 2020 - December 2023 (3 years 5 months)

Senior Technical Lead

December 2019 - December 2023 (4 years 1 month)

Bengaluru, Karnataka, India

Senior Software Engineer

December 2017 - December 2019 (2 years 1 month)

Bengaluru Area, India

3E Software Solutions

3 years 6 months

Software Engineer

January 2016 - October 2017 (1 year 10 months)

Web & Mobile Application Developer

May 2014 - January 2016 (1 year 9 months)

Development of web applications

Development of hybrid mobile applications

Panya Tech

Android Application Developer

June 2013 - May 2014 (1 year)

Bengaluru Area, India

Development of Android applications

Testing android applications

Release of android application on Google Playstore

Singlet IT Solutions

Intern - Web Developer

March 2012 - May 2013 (1 year 3 months)

Bengaluru, Karnataka, India

web app development and API development using php and code ignitor

Tiger Innovations

Student Intern

January 2011 - March 2011 (3 months)
